Dear
ELETTRONICA F.LLI MUCCHETTI SRL
To the kind attention of Mr. MAURO MUCCHETTI
VIA CARDUCCI, 26
BRESCIA

Casaloldo, 14th March 2012

Hereby we inform you that we are testing the new equipment for pre-boarding of stockings connected to the knitting machine.

The results are excellent. We are indeed noting that this procedure makes that we can rule out the next phase of the pre-boarding and eliminates traces of oil and paraffin.

Looking forward to your response, best regards.
